#### *Greetings,*

#### ***INDIANA QUARTER HORSE RACING Fans!***

We have alot to share with you about what's happened recently as well as what's to come with Quarter Horse Racing in Indiana ...

#### **IN REVIEW :**

We had a record breaking meet at Indiana Downs in Shelbyville this year with purses exceeding that of any other year and we made history with the first ever **ALL QUARTER HORSE RACING DAY** with purses over half a million dollars - just for that one day of racing!! According to Indiana Downs management, the attendance for that day exceeded that of any day, EVER!! With a horseman's picnic, and after hours pizza party, the Quarter Horseman showed that they know how to party! We also enjoyed the entertainment, country recording star Lindzi Parker, who wowed the crowd and made our fans, hers as well! There obviously was alot of behind the scenes work to get this big day organized and become the overwhelming success that it was so, thanks to all who were involved in making our day so special!

We had a "Youth Day" for kids 14-18 who pre registered to come for the entire day, getting an upclose tour of every aspect of Quarter Horse Racing. From the barns with the trainer, to the racing office for the official draw for positions, front side, back side, gates and winner's circle; these kids got to see first hand what all takes place to get ready for the races. So many of our horsemen participated in making this day special for the kids, but special thanks to Chris Duke, who organized and oversaw the entire event. Another big success for QHRAI, striving to get more involved for the generations to come.

#### **WHAT'S NEW :**

Racing at Hoosier Park in Anderson will be from July 30th through October 24, this year. We have 27 days of racing planned with Friday post times roughly 9pm and Saturday roughly 5 pm. We will be running for nearly \$800,000.00 in stakes races alone! Makes you want to go out and buy a Racing Quarter Horse, doesn't it? Well there's an "in training" sale at Hoosier Park

in July and another sale planned for later in the fall, the date not set at this time. Check out the Hoosier Park website, [www.hoosierpark.com](http://www.hoosierpark.com) for updates. You can also go to the QHRAI website, [www.qhrai.net](http://www.qhrai.net) to get the latest quarter horse racing info, check out our classified section for you race prospect, get contact information, we also have links to several other related sites!
